Advaith encourages students to enjoy,
study hard and take responsibility for their
education, urging students to set goals,
believe in themselves, and be the authors
of their own fortunate and beautiful destinies

Advaith Leadership

WELCOME

The school is run by Ashvath Narayana Educational & Charitable Trust governed by Mr. Ashvath Narayana and the Board of Members. Mr. Ashvath Narayana is a recipient of Bharat Jyothi Award, 1994.

Mr. Ashvath Narayana
Founder Chairman

The Board Members discharge their highest capacity to the maximum for the growth of the children, staff, parents, and everybody associated. The school has all the necessary facilities in keeping with the modern trends in education. Experienced, passionate, determined, trained and motherly teachers inspire our children mentally, physically, emotionally, spiritually and socially. Our broad-based curriculum is complemented by an active sporting program, as well as several cultural, artistic and academic clubs and out-of-school visits. We encourage, support and guide our students on principles of respect, compassion, harmony, responsibility, peace, kindness, virtues, love and problem-solving.

On behalf of Advaith community, I extend a warm welcome to you and your beautiful family.

Sakshi Roy
School Pupil Leader

Hello and welcome! I am pleased that you are reading us. As we all continue to evolve with time, choices we make have an everlasting impact on our families, world and its future! I'm glad I made the right choice to evolve at Advaith! It's inspiring and gratifying how Advaith nurtures and prepares us by bringing all of us together with immense opportunities, equalities amid diversities. At Advaith, everyday is a better day because it adds value to me in meaningful ways.

It's incredible what Advaith can do beyond academics from fostering our leadership responsibilities and qualities and unlocking our undiscovered talents, potentials and capabilities! Life here is self-driven in assistance with excellent team of teachers and enablers. I have been able to witness my everyday journey exponentially progress academically, mentally, emotionally, socially, physically and spiritually.

We organize large festivals as well as academic and sporting championships for students that invite 1000s across Hosur and Bangalore to engage, learn, compete, emerge and network with! Advaith's Global Voice Summit lines up leaders from Harvard, Stanford Universities, American Air Force and across the global spectrum to interact and learn from. With the confidence, will, strength, wisdom, character and spirit Advaith has architected in me, I am and therefore excited and prepared to step into the world and contribute towards global development. Academics, leadership, sporting, MUN, researching and acting are some of my favorites I love, enjoy and embrace. At Advaith, I don't feel away from parents because my school has a pleasant, loving, safe, secured, comfortable, vibrant and harmonious ambience. I share soulful relationships with my amazing friends, proficient teachers and parenting Principals.

Advaith creates memories and learnings for a lifetime with endless opportunities to be a better version of myself! Joining Advaith has been the best decision I've made so far and thanks to my parents! I'm excited to see what you will become of at Advaith. Come on and unravel your story and make Advaith your home away from home. Welcome home to Advaith!

VISION

Build committed universal citizens and contributors governed by universal virtues.

MISSION

Provide state-of-the-art education and instill leadership.

PRIMARY CAMPUS

Also known as Administration Campus, is located at the heart of the suburb, a kilometer from the Hosur Bus Station. This campus is Montessori oriented and well-equipped to nurture children of primary grades.

CAPITAL CAMPUS

The Capital Campus (Nallur), spread over 21 acres (current use: 9 acres) is located in a pleasant setting at the centre of open fields with multiple large playing fields. Children are given access and encouraged to participate in a wide range of activities including clubs and societies. We place emphasis on being part of a caring community in which everyone has a part to play.

SCIENCE, COMPUTER SCI. & AI

Advaith offers integrated course as an effort to help students score peak ranks in CBSE Board Exam and IIT-JEE / NEET in order to attain admissions at Indian and foreign universities. Advaith's Integrated School Program is a dream materialized into reality for all parents and aspiring students. We are committed to build strong fundamental base with the help of advanced methodology to give our Grades XI & XII students the extra advantage that can help them across all competitive exams.

Board Members and staff are highly committed, progressive and ambitious. Advaith propels the best possible performance in students through a healthy personality with all the inputs required for constant success. This program is a dream of Advaith's Team to bring renaissance and glory to students, nation and the world.

Benefits Of Advaith's Integrated Program:

- Integrated study plan that eases out the pressure of time
- Provide thrust to participate in co-curricular activities, sports, social activities and leadership vital for their personality & holistic development
- Optimum student-teacher ratio with a class size of 30 students
- 365 days of assistance via face-to-face / online
- Motivational & counselling sessions to guide towards their goals
- Proven success rate
- Greatest value for money, time and student-school relationship

COMMERCE

Advaith Commerce strives to develop in its students an understanding of nature of modern business, including an awareness of emerging business opportunities. It requires students to apply the analytical, critical, logical skills developed to study real business situation.

Faculty members are master graduates and are regularly trained on academic development, pedagogy, personality development, technology and various other aspects of education to stay ahead. As corporations grow larger and more complex, as government regulations become more pervasive, and national and international firms compete for markets post coronavirus pandemic, the principles and techniques in business must evolve to become more critical for success.

Advaith has extensive network with business organization in and around Hosur to provide our students with internship.

HUMANITIES

Advaith Humanities offers students a joyous and progressive environment where they can excel in their areas of interest and develop their creativity. We help our students develop critical thinking, analytical, logical and presentation skills that will enable them to build a great career for themselves. Our faculty encompasses a whole universe of liberal education and intellectual domains that are at the centre of the growth, nurturing and development with an aim to empower the learners to systematically understand literatures, histories, economies, politics and psychology of the world and appreciate life. Advaith is committed to provide an interdisciplinary and integrative pedagogical approach to learners and provide them a broad spectrum of subjects and courses to suit their interests, learnings and future career profiles.

RESEARCH

Advaith is committed to meeting global standards and therefore presents University standard Research program for Grade XI students.

The path to Business, Entrepreneurial, Medical, Engineering, Sports, Leadership, Entertainment career begins earlier than we step out of school. Advaith is one of the very few CBSE schools in India to offer professional research program. Advaith exposes Grade 11 students to 6 months of research on topics of their choice or pertaining to career. The students who consider to pursue Grade XI at Advaith are at a higher advantage because of their in-depth knowledge, self-discovery and confidence they gain during the process of research.

Their rigorous research journey gives them great advantage in their future endeavors. The opportunity to have scientific findings presented at school before the jury and audience from diverse fields including scientific community on the VIVA day will fill our students, parents, teachers, school and the society with pride and happiness.

UNIVERSITY TRANSITION

Advaith constantly seeks to provide our students with academic and career opportunities beyond the years that they study with us. The future success of our students is of paramount importance, therefore, preparing our students for the demands of university-level studies requires us to develop a rigorous academic environment, make their studies real-world relevant, and support and guide students in their chosen academic and career paths. Advaith helps students seamlessly transit into their university life. We help prepare for interviews, apply for competitive exams as well as specific universities and train them accordingly.

STUDENTS' VOICE

First thing I like in this school is the positivity towards success. I had great opportunities to showcase my talents in academics, sports, co-curriculars and leadership. I like the way my teachers give importance to every individual student and help us with every single step of educational journey since the last 9 years (2012). I got placed in Dayanad Sagar University before my CBSE board exam. Thanks to Advaith

Nandhika K B
Alumni

Advaith is not just a school, its our home too. Advaith moulds us into a perfect being. We have tremendous opportunities in both academic & sports. My team and I finished as Runners in National CBSE Volleyball Championship. Proud to be an Advaithian!!

Leenus Valentine
Alumni

To me Advaith is one of the best schools with its friendly teachers, developed infrastructures and great management. The institution also focuses towards nurturing skills and talents. They take immense measures and steps to ensure our safety, wellbeing and happiness. The school gives us great clarity on careers and options.

Kavya T
Alumni

I am glad to be a student of Advaith School. The care as well as support that teachers and the management gave me will be remembered forever. I haven't felt at any situation that management is not supporting us. Thanks for that. We have a beautiful social friendly atmosphere. The tour organized by my school was amazing and we had the time of our life.

Tarun
Alumni

I was a Volleyball player and having finished Runners in National CBSE Volleyball Championship, I got earned an engineering seat on sports Quota. A big thumbs up for value that Advaith has added in my life!

Lathish Kumar B
Alumni

I have really got a very special opportunity at Advaith. Chairman's Scholarship motivates and keeps me on my toes. My teachers are incredible and I'm a proud student of Advaith. My friends and I have been learning a lot in our research programme. Thank you so much AIA

Aparajitha S
Alumni

I'm a new student and I'm just amazed by the kind of support every teacher lends to the students. My thoughts and opinions are honoured in my school.

Dhanashree Kiran Shimpi
Alumni

Teachers are very good at this school because they concentrate on every single student in the class. I feel like this school uplifts my child. Great school, teachers are very supportive and understanding, good interaction between parents and teachers.

Parent of Harshit Agarwal
Alumni

My school never misses a chance to help me with my studies and growth. The teachers are very friendly and are available anytime to help me out with my doubts. The management of the school too is very friendly and are very supportive. We get several chances to showcase our talents. Global Voice Summit is one of my favourite programmes.
